ITINERARY

The itineraries published on the Poseidon's website and in any other sources serve as examples only. Real itineraries of any Expedition Cruise (including all scheduled landings and excursions) in polar regions are heavily dependent on weather and ice conditions. Occasionally, conditions and/or safety concerns require itinerary changes. The Captain and the Expedition Leader will accordingly make every effort to find the best alternative to the original itinerary while keeping passengers informed and updated. It is understood that such decisions will be made in the interests of all passengers aboard and with regard to the safety of the vessel.

Itinerary changes are not subject to passenger approval/consent and in the event of such a change no refunds or price adjustments are possible.

Poseidon expressly reserves the right to change the itinerary, the date or place of departure due to weather conditions, availability of anchorages, political conditions and other factors beyond Poseidon's control without consulting the participants. Placement of a booking with Poseidon amounts to an acknowledgement that itinerary changes are possible.

CHANGES IN VESSEL

Poseidon may at any time substitute vessels. Passengers will have no claim against Poseidon for inconvenience or expense whatsoever by reason of any change of the Vessel.

PHOTOGRAPHY/VIDEO

Poseidon reserves the right to use photographs and/or videos taken during the operation of the voyage for promotional purposes for Poseidon and/or its sales agents. Passengers may not charge for their appearance in any photographs or video.

SMOKING

Smoking in cabins or public areas of the ship is strictly prohibited by safety regulations. There will be a designated smoking place outside in a sheltered area.

ALCOHOL

Alcohol beverages are available for sale in the on-board bar. Poseidon reserves the right to refuse alcohol to anyone deemed to be intoxicated.

ELIGIBILITY

There are no specific physical requirements for travel in polar regions. However, the purchased Expedition Cruise is a cruise to the remote region of the world on a ship which, at times, may be in rough seas. Please also note that there is no specialized medical assistance available in these regions. Passengers with certain medical/health issues may not be appropriate for this type of expedition and are advised to exercise appropriate caution. Our medical information form lists a number of these conditions.

PRE-DEPARTURE FORMS

Prior to boarding, specific passenger information is required by Poseidon for passenger safety and for international reporting regulations. Required information must be completed in the forms provided by Poseidon and submitted at least 60 days prior to departure. Final documents cannot be issued for passengers whose information has not been received.

ADDITIONAL information for cruises aboard i/b 50 Years of Victory: Please, be advised that in order to embark i/b 50 Years of Victory, the passenger is issued a special permit by Poseidon. This permit requires that individual passport details be submitted to Poseidon by the passenger. When boarding the vessel, the passenger must present the same passport as previously provided to Poseidon. Otherwise, the passenger will not be able to participate in the Expedition Cruise. In this case, the cost of the Expedition Cruise will not be refunded. Any changes in passport details (in particular, when a new passport was issued) must be submitted to Poseidon no later than 45 working days prior to the Expedition Cruise departure date.

PASSENGER MEDICAL INFORMATION

Poseidon requires all passengers to submit basic medical information prior to departure. Upon receipt of that basic medical information, specific physical conditions may necessitate

additional documentation from a passenger's physician certifying fitness to travel on a polar expedition voyage. If additional medical confirmation is requested, boarding will not be allowed absent receipt of that confirmation.

IMPORTANT: Please be advised that prospective passengers must carefully consider whether their health condition is adequate for participation in the Expedition Cruise taking place in remote and hard-to-reach regions, where emergency evacuation is not always available. Passengers must complete the provided medical information form and provide Poseidon with permission from their physician in case of serious or chronic medical conditions.

If the passenger decides to participate in the Expedition Cruise in spite of a medical condition and/or the concerns of their physician and their condition deteriorates while aboard, requiring emergency evacuation that the passenger's insurance company does not recognize as appropriate and/or legitimate, all evacuation expenses will be borne by the passenger.

Poseidon has a pregnancy policy that women are welcome with explicit doctor's permission and having signed a specific waiver. Pregnancy policies of carriers (ship owners, airlines, bus companies, hotels, etc.) may also apply. Please note that medical information will, of necessity, be available to designated Poseidon's staff.

Please note that regardless of general eligibility there may be instances where environmental conditions require a level of fitness/mobility. In these cases, individual participation in the landing(s) in question may be restricted by the Captain, Expedition Leader, or ship's doctor.

MEDICAL EVACUATION AND REPATRIATION INSURANCE FOR EXPEDITION CRUISES:

aboard m/v Sea Spirit. It is mandatory for all passengers travelling with Poseidon to carry adequate travel insurance that must contain medical, evacuation and repatriation coverage. Passengers must ensure that their purchased insurance includes cruise travel in the polar regions, and has evacuation and repatriation coverage of no less than US\$ 200,000 per person (for Arctic and Antarctica cruises). For cruises in non-polar regions, a minimum of US\$ 100,000 of evacuation and repatriation insurance coverage is required. As part of the pre-departure forms that passengers complete, Poseidon requires information as to the insurance company name, policy number, amount of coverage and 24-hour contact number. Any risks not covered by the insurance policy provided are the responsibility of the passenger at his/her own expense. Passengers must have proof of insurance while aboard and produce it if requested.

aboard i/b 50 Years of Victory. All passengers are covered by a medical insurance policy to the value of 100,000 EUR per person and the policy includes emergency evacuation and repatriation from remote regions. This is only for passengers under 90 years old. Passengers over 90 years old are to purchase their own insurance policy with coverage not less than 100,000 EUR. Such policy is to cover risks of repatriation/evacuation from extremely remote territories, and is to be sufficient for travelling in the High Arctic. Any risks, not covered by the insurance policy provided, are to be covered by passengers at his/her disposal and at his/her own expense. Insurance is in effect only on board the Ship and outside the port of Murmansk.

Poseidon is not liable for failure to provide the services or accommodations offered to the extent that such services or accommodations cannot be provided due to force majeure or other circumstances beyond its control.

Poseidon is a qualified tour operator that organizes and administers its polar voyages. Poseidon will provide services in conjunction with local operators and air and sea operators. The designated operator(s), in turn, acts only as an agent for any transportation carrier, hotel, ground operator, or other suppliers of services connected with these tours ("other providers"), and the other providers are solely responsible and liable for providing their respective services. The passenger tickets in use by the carriers shall constitute the sole contract between the carriers and the passenger; the carriers are not responsible for any act, omission, or event during the time participants are not aboard their conveyances.

Poseidon and its designated service providers shall not be held liable for (a) any damage to, or loss of, property or injury to, or death of, persons occasioned directly or indirectly by an act or omission of any other provider, including but not limited to any defect in any aircraft, watercraft, or vehicle operated or provided by such other provider; and (b) any loss or damage due to delay, cancellation, or disruption in any manner caused by the laws, regulations, acts or failures to act, demands, orders, or interpositions of any government or any subdivision or agent thereof, or by acts of God, strikes, fire, flood, war, rebellion, terrorism, insurrection, sickness, quarantine, epidemics, theft, or any other cause(s) beyond their control. The participant waives any claim against Poseidon for any such loss, damage, injury, or death. In the event of Itinerary change due to any unforeseen circumstances or due to force majeure Poseidon is not to be held liable for any costs incurred by passengers in this case and no refunds or price adjustments are possible.

By registering for our voyage, the participant certifies that he/she does not have any mental, physical, or other condition or disability that would create a hazard for him/herself or other participants. Poseidon and its designated tour operator reserve the right in their sole discretion to accept, decline to accept, or remove any participant from a voyage.

Poseidon reserves the right, without penalty, to make changes in the published itinerary whenever, in their judgment, conditions warrant, or if they deem it necessary for the comfort, convenience, or safety of participants.

If a passenger misses any scheduled sailing of the vessel from any port or place, including any stopover, Poseidon shall not be liable for any costs, expenses or damages incurred by the passenger as a result of his/her action and no refund of fare shall be granted.

FUEL SURCHARGE

Rates for all Poseidon cruises are based on anticipated fuel costs (MGO – Marine Gas Oil) at the time of departure multiplied by a maximum daily usage. Due to constant price fluctuations in the fuel market, Poseidon reserves the right to apply a fuel surcharge. The surcharge is determined based on a significant increase of more than 20% per 1 mt MGO (mt MGO/\$) of the average market value within 45 days prior to departure, compared to MGO cost per 1 mt at the date of the official publication of the cruise rate on the website poseidonexpeditions.com. The Company will issue an additional invoice payable within 10 days from the date of issue of such a surcharge invoice.

In case the surcharge is considered necessary by Poseidon, it applies to all cruises, even if your cruise has been paid in full. Poseidon is obliged to immediately notify contracting parties in writing of the surcharge no later than 30 days before cruise departure. If any surcharge is greater than 10% of the cost of the Passenger's holiday (excluding any amendment charges), the Passenger will be entitled to cancel the booking without any cancellation fees.

BAGGAGE

Baggage and personal effects are at all times the sole responsibility of the participant.

LIMITATIONS

Passengers are not permitted to bring or have on board any pets or animals, firearms, flammable or hazardous items, controlled or prohibited substances or drugs, contraband or items prohibited by any country or port to be visited.

ACCEPTANCE OF THE TERMS & CONDITIONS

Acceptance of the initial services to be provided during the Expedition Cruise shall constitute an acceptance by the Expedition Cruise passenger of these Terms & Conditions. On advancement of deposit to Poseidon, the depositor therefore agrees to be bound by the above-recited Terms & Conditions.
